

Tony Mascola, head pro at Hackers Haven, has opened a second facility — Gophers Hollow. Night golf was started Monday with a celebration tournament.

## Bruce Walkup Becomes Two-Time CRA Winner

Don Thomas and Mike Mosley have had their win streaks in CRA sprint car action at Whiteman Stadium, but now it's apparently Bruce Walkup's turn.

The Downey speedster posted his second straight main event victory at the San Fernando Valley track Saturday night after Bob Hogle, who had led from the opening flag, spun out on the final lap.

Walkup, 1964 rookie of the year, burst into the lead when Hogle tangled with Lowell Pratt of Montrose and Paul Jones of Torrance. All three spun into the infield as Walkup sped by in his Surdam Chevy V8.

The California Racing Assn. sprints will not return to the third-mile paved oval until October 1.

Replacing them on Saturday nights throughout September will be the wild ARA Figure 8's. Remodelling of the track's figure 8 course to shorten it and provide more action at the intersection is now taking place, according to stadium manager Walt James.

Such ARA stars as Nick Thomas, Gardena; Gene Millard, Compton; Ed Sauer, Torrance; and Don Thille, Burbank, will be featured in the 100-car, 10 lap program, starting with time trials at 7 p.m.

## Redondo Plans New Leagues

The Redondo Beach Recreation and Parks Department is forming Winter Adult Slo-Pitch Leagues. There will be three leagues composed of five teams each, and the league will be formed on a first come, first serve basis with resident teams getting first priority.

The cost for each team entering the league will be between \$35 and \$38 depending on the number of teams that reply. The cost will also include the city play-offs at the end of the league and trophies.

ord a year ago and lost only to CIF powerhouse Crespi, 14-7.

With Crespi, Fermin Lasuen and St. Bernard's knocking on the door for the Camino Real title, Montgomery has a tough assignment, but having two of the best backs in Southland is a blessing. QB Danny Graham is rated the best prospect in the state and Chuck Bongard could probably make anybody's backfield.

The next task is to visit around the various practice fields, take a look at the control scrimmage games, and get the lowdown on such items as discipline, and by September 21 or so we should have a much better idea who our heroes will be for the season.
